

# Albie Mark Salvador

## SUMMARY

Mr. Salvador is a technical architecture consultant and his experience includes project management, system analysis and design, programming, testing, implementation, deployment, and production support. He can work independently or as a team member, and takes pride in completing work on schedule and minimal rework. He has extensive experience in [OSX](#), UNIX, NT, Win7/82k and other MS products. His ability to quickly learn and absorb foreign languages has helped him in numerous job postings overseas, such as in Hong Kong, Singapore, Malaysia, Australia, Thailand and France.

He is fluent in the various dialects of the mother tongue, and English. He is conversant in the Thai language and in French.

DATE STARTED IN **IT**: May 1994

TOTAL YEARS IN **IT**: 17 Years

**EDS ISCweb Helpdesk** Web based helpdesk for EDSBKK ISC (International Support Center) EDS (Thailand) Ltd.

Designed, developed and implemented the ISC web helpdesk Designed Internet/Extranet Architecture Designed and developed MSSQL Database, Lead a five man team consisting of 2 analysts and 3 programmers team conducted extensive JBA System21 ERP module customization running on AS400, Team also handled data transformation for import and export to different ERP applications like ARIBA, JDEdwards and SAP.

### **RBANK/NCR Switchmark project**

Switch Installation, Implementation, Development, and Testing

Robinson's Savings Bank

Developed Host interfaces with an Interchange, installation (roll out of product), UAT (user acceptance testing), maintained a 7x24x365 system

OS Platform: NCR UNIX, Windows, and Windows NT  
NTRBANK SSDS Development ATM Application Design/Development, Testing

### **Robinson's Savings Bank**

NCR Singapore (Chai Chee Office)

Developed transactions for the ATM including supervisor functions

OS Platform: OS/2 Warp

### **NCR FSG Road show** (Serving the Invisible Customer)

Financial Solutions Group Product demonstration Asia Pacific Tour (SwitchMark, Branch Automation, Call Center, Internet Banking) Manila Philippines, KL Malaysia, Sydney Australia

### **Bahn Hin Lee BranchView NT Customization project**

Branch Automation customization project

Bahn Hin Lee Bank, KL Malaysia

Customized transactions for tellering applications

OS Platform: Windows NT Server/Workstation

### **Digikard online phonecard shopping** (<http://Digikard.com.ph>)

Design and Development

Digitel Communications Inc.

OS Platform: HP UNIX, Windows 95

### **WorldRoom** (Manila)

Product Consultant (Design, and Development)

I-Quest Corporation (HK) Ltd.806 Capitol Centre5-19 Jardine's Bazaar

Causeway Bay, Hong Kong

### **PICC** (Philippine International Convention Center)

Production Consultant

Multimedia Information Kiosk Design, Development and Maintenance
